L3 Qualification in Supporting the Delivery of Physical Education, School Sport and Physical Activity (Certificate)

The Level 3 Certificate in Supporting the Delivery of Physical Education, School Sport and Physical Activity is a nationally recognised qualification that enables successful delegates to be able to support the delivery of physical education, school sport and physical activity (PESSPA) through planning, leading and reviewing activities that contribute to a PESSPA programme.

Who is this course for?

Anyone who is currently employed in an education setting working with children. This includes Primary or Secondary School Teaching Assistants, Higher Level Teaching Assistants, PE Technicians or anyone the school deems suitable working within the PE setting.

By undertaking the qualification, delegates will be able to:

- Understand schools and the principles of teaching physical education, school sport and physical activity.
- Safeguard children and young people in PESSPA.
- Maintain health and safety of pupils in PESSPA.
- Support children to develop through PESSPA relative to their expected development.
- Implement diversity and inclusion principles in physical education, school sport and physical activity.
- Support assessment for learning in physical education.
- Plan, deliver and review a PESSPA unit of work.
- Organise and lead an event or competition that contributes to the PESSPA programme.

The successful delegate will be able to take on a role to support the delivery of PESSPA programmes in a school to support pupils to:

- Experience high quality PESSPA to all pupils
- Be active – physically and mentally
- Be engaged in PESSPA in their school
- Keep learning and pursue their interests and push their skill development
- Grow through positive experiences of PESSPA
